Agreement ☐ was reached. ☒ was not reached.

Claim(s) discussed: all pending claims

Identification of prior art discussed: Lam et al & Pirning of record.

Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Discussed 112 second paragraph rejections and art rejections of record. Applicants have pointed out Pirning reference has been published after the filing date of the parent application. Examiner has agreed to look into the actual

exact publishing date of the reference. Applicants have informed that claim 3 limitations would be added into claim 1 to overcome the Lam reference. Examiner has agreed to consider the amendments. (A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

1. ☒ It is not necessary for applicant to provide a separate record of the substance of the interview. ☐ If a response to the last Office action has been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW.

2. ☐ Since the Examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not relieved from providing a separate record of the interview unless box 1 above is also checked.

Examiner Note: You must sign this form unless it is an attachment to another form.
